FROM: SMC/CC

SUBJECT: Redlegation of Specific Contracting Authorities

As Air Force Program Executive Officer for Space (AFPEO/SP) and Milestone Decision Authority (MDA) for Air Force space related non-Major Defense Acquisition Programs (non-MDAPs), I hereby redelegate to the Vice Commander, Space and Missile Systems Center (SMC/CV), and to the Executive Director (SMC/CD), the following specific contracting authorities delegated to me by the AFFARS [2002 Edition] and USECAF memorandum dated 22 Apr 02. This re delegation is retroactively effective with my assignment as PEO on 19 Feb 02:

- (1) Chair Acquisition Strategy Panels (ASPs) for non-MDAPs unless retained by USECAF or PEO/SP;
- (2) Approve acquisition plans (APs) and integrated program summaries (IPs) for non-MDAPs unless retained by USECAF or PEO/SP;
- (3) Serve as source selection authority (SSA) for non-MDAPs unless retained by USECAF or PEO/SP;
- (4) Approve Justifications (J&As) >\$10M to ≤\$50M;
- (5) Approve clearances;
- (6) Approve the issuance of undefinitized contractual actions (UCAs); this authority is not redelegable for UCAs >\$50M;
- (7) Serve as source selection advisory council (SSAC) chairperson when USECAF is SSA;
- (8) Serve as Fee Determining Official (FDO) for award fee contracts;
- (9) Approve Determination and Findings (D&Fs) under FAR 6.202, "Establishing or Maintaining Alternate Sources."

The Vice Commander and the Executive Director may, in coordination with SMC/CC, exercise such authorities. This re delegation does not affect my authority to exercise (retain) any of the authorities redelegated or to issue instructions concerning the exercise of those authorities. This re delegation does not supersede any re delegation previously issued to a Single Manager or lower manager pursuant to an individual authorization section of the AFFARS. SMC/CV/CD may re delegate these specific authorities unless prohibited by the individual authorization sections of the FAR or AFFARS or future USECAF Space Acquisition Policy guidance.
